Dear friends and colleagues,

Any plans for the second weekend of June? How about a quick trip to Paris?

It is not necessary to list the reasons for visiting Paris, but it is worth noting one in particular, and therefore I write to you.

I'm proud to share with you that I will represent Luxembourg at the International Biennial exhibition *Révélation*s.

*Révélation*s will be held from 9 to 12 June 2022, with a pre-opening reserved for professionals on 8 June, at the Temporary Grand Palais located on Champ de Mars across from the Eiffel Tower, since restoration work is being done on the Grand Palais.

While you are in the neighbourhood, go and visit the *Residence of the Ambassador of the Grand Duchy of Luxembourg* (8 Av. Emile Deschanel, 75007 Paris) where I will present three additional works.

And if you pass by the legendary *Librairie Galignani*, take a look at the shop window, one of my sculptures will be there as well!

If you cannot attend, no worries; I will make an effort and post some images on the social media :)!

Cheers to all!
