

## **Sandra Lieners**

I kindly invite you to my next two and last exhibitions this year.

I am happy to announce that my works were accepted to the annual CAL salon this year, which takes place in the framework of Luxembourg art week. Opposed to the past years, the opening of the salon in Tramsschapp is earlier than the general opening in the Victor Hugo Halls:

***Salon du CAL*** // Tramsschapp // 49, rue Ermesinde, 1750 Luxembourg  
Opening **november 2nd** // 5pm

Shortly afterwards, Roland Schauls and myself invite you to our Duo show "Bipolar" in the breathtaking Galerie Schlassgoart in Esch-sur-Alzette. The exhibition is part of the Pierre Werner Price which we both won last year. There will be approximately twenty works per artist in the show. I kindly invite you to the opening:

***Bipolar*** // Galerie Schlassgoart, pavillon du centenaire // Bd. Grande-Duchesse Charlotte,  
4070 Esch-sur-Alzette // opening november 22nd // 7pm
